About Us

North West Regional College is one of the leading Further and Higher Education Colleges in Northern Ireland, and aims to offer an exciting learning experience for those wishing to return to education, progress to higher education, or enhance their employment opportunities.

In June 2011, we officially opened our fabulous £18m new build developments at our Strand Road Campus, and we invite our colleagues and partners in community education to contact us should they wish to tour or have a look around these magnificent facilities –
email marketing@nwrc.ac.uk.

In addition to the full-time and part-time students at our three main campuses, Derry-Londonderry, Limavady & Strabane, the College's vibrant learning community includes learners undertaking courses at local centres, co-ordinated by our Community Outreach Department. See back cover for contact details.

Front cover image... Inspirational mother of 7, Carmel Rankin, who started with us on a short course, progressed to an Access course, then to our HND in Early Childhood studies where she is now aiming to undertake a degree in Midwifery at Letterkenny IT next year.
