Equal Opportunities Monitoring

The North West Regional College is committed to equality of opportunity for all employees and job applicants regardless of their perceived religious belief, political opinion, gender, marital status, dependants, disability, race, age or sexual orientation.

The North West Regional College selects those eligible and suitable for employment and advancement solely on the basis of ability, qualifications and aptitude to carry out the duties of the post. It monitors its activities to ensure that its equal opportunities policy is implemented effectively.

In order to fulfil its legal obligations under the Fair Employment and Treatment (NI) Order 1998, as amended in 2003, the College is required to monitor the religious composition of job applicants.

The information you supply will be held by the College's Fair Employment Monitoring Officer. Access to this information will be strictly controlled and will not be available to those considering your application for employment. Monitoring will be by the use of statistical summaries of information in which the identity of individuals will not appear. The information will not be available for any purpose other than equal opportunities monitoring.

While the College will seek to maintain the confidentiality of all documentation relating to appointments, disclosure of documentation may be required under the provisions of the fair employment and equal opportunities legislation applicable in Northern Ireland.

Pre-Employment Disclosure Consent Form

You have applied for a post which will bring you into contact with children and/or vulnerable adults. Prior to appointment it is our policy to ask for a criminal history check to be carried out by Access NI in order to assess suitability to work with children and vulnerable adults. In addition, if successful you will be required to be registered with the Independent Safeguarding Authority (ISA). This is a requirement of appointment and you will not be offered a contract if you do not comply with these requirements. Successful applicants will be required to pay for the ISA registration (if applicable) and the Access NI Enhanced check. Failure to do so will mean your application cannot be processed. Payment of fees does not guarantee appointment.

Any information received will be treated confidentially, and we will talk to you about it before a final decision is reached. After the decision is made the information will be destroyed.

Checks will only be carried out if you are considered to be the preferred candidate and are being offered an appointment or if you are deemed suitable for appointment and placed on a waiting list. You must tell us about all offences, even minor ones such as motoring offences, and 'spent convictions', that is, things which happened a long time ago. If you leave anything out it may affect your application.
